Dear Bro Saylor,

I send herewith the following
Medals.

- | | | |
|----------|----------------------------|------|
| | Hamburg 1857 | 12/- |
| CXC VIII | Belgian (Belgium) 1842. | 6/- |
| LXXX V | French (Napoleon) 85/1876. | 3/- |

and debit you with

$\overline{1.1.0}$

+ one half of carriage from
Paris.

1.8

$\overline{\pounds 1.2.8}$

I am sorry that I could not obtain the other
Belgian Medal for you as it is a fine one &
worth having.

The American ones I wrote to you about

were such trash that I sent them back. I think
they were forgeries & certainly not worth any thing
like the prices asked. I have information about
others which from specimens I have in my cabinet
are much more likely to lead to good business. I
hope to have them in a fortnight's time from Phila-
delphia & will write you with duplicates.

Yours faithfully

Yours with enclosure
safe to hands, thanks

The G.S. has just informed
me that he has received a
very nice impression of
the said Mason's Procession
asking me if I could explain it
On looking at it I was rather
surprised to find it to be yours
How comes it here? The G.S. is
delighted with the present,
as ours is not an original,
but cannot understand it being
sent without a letter.

I have now seen B Rylands

Copy of 1438 Constable and can
confidently say that the Frontispiece
is precisely the same as that of 1423

There were two sizes of Constables
of 1438 the larger one had
the Frontispiece same as 1423
the smaller had none.

The only address I have of 1438
is Diddlington-hill, Brandon

I don't know his town address.

Worcester March 21st 1885

Dear Sir and Mrs.

Referring to your letter of the 14th ult. respecting the purchase of Books from Lodge 280. I have to inform you that the matter was discussed by a Committee of Past Masters previous to the Regular Meeting of Lodge on Thursday last, and they were of opinion that the Books being presentation copies should not be disposed of. And the Lodge afterwards accepted the recommendation of the Committee at the same time thanking you for the offer. A meeting of the Charity Committee was also held, and during the Lodge Meeting the Brethren were solicited to become subscribers to the several Charities. Bro. Davis fully explained the Working of the Institutions and the advantages of the Ballot system of Subscribing.

I hope to forward votes in the course of a day or two

Dear Bro Taylor

You may make your-
self perfectly easy, nothing
unpleasant could possibly
occur with the G.S. with
reference to your print, he
knew I had sold it to you
and when he showed it to
me and I identified it as
the one I had sent to you
and explained how it got
in the course with his
address he was perfectly

satisfied that there had been
a mistake somewhere,
I dare never. I may remark
that Col Clarke and I under-
stand each other pretty well
and it would not be a trifle
that would disturb our friendly
relations. I told him I would
write you and let you know
the point was here safe - and
when he received your telegram
he showed it to me and I
sent it to print off at once.
It would be as well if you
would thank him for returning
a word or two of
explanation as to how it got into
the paper.

Yours fraternally

Dear Sir,

You will note that we
are able to forward a few more fine
Medals. No. 29. is indeed a fine
one and the shells of others have been
sent to us that we are fain to
keep it back. but perhaps as you have
the others it will help to complete
collection if you have not already

seemed a replica.

We send a series of Jewels of
possible interest. Some old, quaint,
a obsolete, which might find place
in a Museum. We have priced
them below cost, as many of them
have simply been retained by us as
curiosities. It is needless to say
therefore that prices are not.

at any numismatist or at a sale of coins by
auction. If I were getting another I should get
one with 12 drawers at the least as my

medals now numbering over 160 are far too cramped up to show really well. I lined my trays with red velvet, gluing it down.

Bewareful to get ~~trays~~ drawers (very shallow) not trays pierced for coins or you won't get a tithe of your medals to fit, besides they won't look half so well as laid in trays.
