MASTER'S MESSAGE

Brethren:

The most inspiring moment of our last communication was the presentation of W. Brother Lind accompanied by a delegation consisting of W. Brother Phillip J. Herrlich, our Senior Past Master and all the Past Masters of Radiant Lodge since 1920. R. W. Brother Samuel Einstein presented W. Brother Lind in his usual terse interesting and pertinent manner. W. Brother Lind then proceeded to confer the Degree of Entered Apprentice in which he was ably assisted by W. Brother Peter Avella as the Senior Warden, R. W. Brother Samuel Einstein as the Junior Warden and W. Brother Arthur Cutler as the Senior Deacon. These W. Brethren occupied the stations and places they occupied during W. Brother Lind's Administration. The evening was replete with reminiscences and thoroughly enjoyed.

The work of the acting officers was very impressive, dignified and thorough. Brothers David L. Engel and Arthur J. Kraut, our Senior and Junior Masters of Ceremony presented the "Whys and Wherefores" in a very able and instructive manner. The Lodge showed by its applause its interest and appreciation. The Master wishes to take this opportunity to thank these brethren for their whole hearted co-operation and support. We know that W. Brother Lind will long remember this evening in his honor and we will remember it as one of those occasions which increase in flavor as we contemplate it in retrospect — one of those nights when one feels there is a really tangible spirit of friendship and harmony, — A spirit of Brotherly Love pervading the entire atmosphere.

The Master desires to particularly direct the attention of the Brethren to our calendar of coming events. Every meeting an event and worth your particular attention and attendance. The administration feels that it is doing its share. May we hope for your co-operation.

Our next communication marks the first appearance in the East this year of our Senior Warden, Brother Mortimer R. Salomon. He will be ably assisted by the Wardens of the Lodges of the Sixth Masonic District, who pay respect to Radiant Lodge on this occasion in furtherance of the spirit of friendship and harmony existing amongst the Masters and Wardens of the district.

Your Entertainment Committee has made arrangements for a Ladies' Night and Strawberry Festival to be held on Saturday, May 24, 1930 at Park Central Hotel. Your Master urges every brother to attend this social function with his lady.

Sincerely and fraternally yours,

SIDNEY KRANZ
