

My dear Sir,

In reply to your letter of the 14th Instant I beg to say, that you have my authority to send to the Freemason's Magazine a copy of the note on page 31 of Mr. Barker's recent pamphlet, and to say that Mr. Barker's note is accurate. I shall be obliged if you will inform me of the number of the Magazine in which your contribution will appear in order to procure a copy of it.

Believe me to remain with much esteem and sincere regard

My dear Sir

Yours faithfully
Rhoocanahis
