

My dear Sir,

You may be sure that if at any time I should happen to come into your County I shall not fail to become personally acquainted with you — If you will come here, inform me also — In case any article appears in the "Freemason's Magazine" or in any other Masonic periodical, relating to my family, let me know if you please.

Believe me to remain with much consideration

My dear Sir

Very yours faithfully,

Rhodocanakis
