

My dear Sir & Brother -

I heard you herewith a letter from Captain  
Shurt of Heidelberg in reply to the one I wrote to him about  
Brother Wood. Please send it to him, and tell him to either  
to write himself a letter to the Captain which to send to him  
myself, or write, what I am to write myself in reply to his letter.  
(In haste)

Yours faithfully & fraternally  
Rhodocanakis

P.S. I start from here to morrow morning at 10 o'clock.  
I read with much pleasure your article in the Freemason's  
Magazine

Excuse this hasty scrawl - Suppose you write to the  
Prince (now a Templar) a letter such as he can hand  
Send to Captain Shurt, for the purpose of having to  
the Professor's office in England & produce an appointment  
When over here  
Yours truly
