

My dear Sir & Brother,

Pray accept my sincerest thanks for your friendly congratulations on my becoming a member of the Ancient and Honorable Fraternity of Freemasonry. I shall write again to my friend Captain Shott, that on account of your many professional engagements & will be impossible to conform yourself with the demands of the University, and I shall ask him if it would be possible for you by sending to the University your printed works you would take the degree. I shall be very thankful and delighted to receive from you the copy of your Masonic seal. Believe me to remain with much esteem and sincere regard

My dear Sir & Brother
Yours fraternally
Rhodocanaki
