Memorandum April 1st 1870

From

John Yarker Esq

To Richard Wolf Esq.

13 South King St.

Manchester

My Dear Sir & Dr.

I am duly in receipt of your valued favor. I quite agree with your estimate of the English S.C., & hold the whole rate as at present constituted ^{to be} ~~in~~ ^{deserving} contempt. I don't say should it be ^{also at the expense of my own property.}

You will receive ⁱⁿ ~~the~~ ^{the} two lists of S.M. - My only reason for wanting the M.S. back on Sunday was that on Monday Prince & myself dine with my friend Rev. J. N. Porter ^{at Margate} brother in law of Stamford the Member of Parliament for Halifax - & the Attorney General at the Cape - ~~all~~ We thought it would be

a good opportunity to get the papers
examined. It will therefore
see do quite as well if posted
on Sunday evening; and is not
very particular even then if it
would at all inconvenience you.
