

By the authority of the G. & S. I come amongst you

to investigate charges which you have prepared

against B. G. & which he has preferred as his best

though I am prepared fully to discharge the onerous

difficult duty entrusted to me & faithfully to report

the evidence which shall be submitted to me

with my conclusions on which I shall arrive

I am animated by ~~cordial~~ fraternal

feelings towards you & that both individuals

as Mr. Collicott as a G. & that I shall

return to Dublin a happy man if I have

leave amongst you in B. the same feelings of

G. & S. towards each other I feel towards

you myself

G. & S. have learned that strife with respect that

strife division & discord have appeared the place

among you of that cordial & fraternal sympathy

Which is the great cement bond of union in
our separated & suspected order - May B there

things sh^d not be ^{but} allow me to assure you
~~fraternally & for~~ whatever sentiments you

subtain towards each other fraternally &
masonically to cooperate with me & my brethren

the facts of the case & reporting them to the
High Authority whose delegate I am

You may rest assured that although my pen

may err the least I shall make the least

at which I shall arrive will be increased

by men more able & enlightened than myself

By Masons animated by the same fraternal

Spirit as myself

I have no power to administer oaths nor are

requisite. A Masons word sh^d be & is with me

solemn obligation & I can only assure you

by your obligations as Masons by your allegiance

to that God & those great lights of our order

faithfully candidly & openly to reveal to me

whatever ~~may~~ will bear upon the subject

come to investigate & will lead me to a

knowledge of the truth.

I speak to you thus in no arrogant or self

important spirit - I do to the accused & accuser

to aid me in coming to a right conclusion

I write your General & Co. Masonic Appearances

~~in~~ on behalf of myself & if it is held

accused it is the first time I have done

that Masonic request in vain.

In conclusion allow me to say that if I should ever

conventions apart to the Grand Lodge

that the transgression which were reported

were exaggerated that the charges should

darkened the Horizon of this W & I have been
dispelled by the light of truth which this
investigation has created - that P & I

have once more been established among
the ~~land~~ of this W &
for brethren whom I ~~love~~ ~~to~~ ~~see~~
~~to~~ ~~have~~ ~~been~~ ~~sent~~ ~~as~~

Prayer me I shall ~~draw~~ from my ~~prayer~~

a cordial Brother to those whom as it were

I come to ~~see~~ ~~the~~ ~~lands~~ ~~whom~~ ~~I~~ ~~see~~

have seen the humble ~~means~~ ~~medium~~ ~~to~~

the blessing of that God whom we all serve

to unite in that Mystic & solemn

tie, to which it is our common & Masonic

due, to cement & increase

of ~~the~~ ~~prayer~~ ~~book~~ ~~is~~ ~~the~~ ~~best~~ ~~way~~ ~~to~~ ~~reach~~
Prayer in which shall say to all
Count of the ~~prayer~~ ~~book~~
Duty of the ~~prayer~~ ~~book~~
What in the ~~prayer~~ ~~book~~
stand in the ~~prayer~~ ~~book~~
Who ~~prayer~~ ~~book~~ ~~is~~ ~~the~~ ~~best~~ ~~way~~ ~~to~~ ~~reach~~
