Calls of £1 per share, at intervals of 12 months
between each Call.

PROSPECTUS.

It may be safely asserted that there is still in Ireland a great open for a National Insurance Company on a large and comprehensive scale, if so constituted, and conducted, as to ensure the confidence and enlist the sympathy of the Country.

The peculiar and anomalous position of Ireland, in this respect, is well worthy of consideration, for it is estimated that there are at present upwards of 100 Assurance Offices established in this country, of which the proprietary consists of
