## P R E F A C E .

The reception accorded by the Brethren to the "REMINISCENCES OF THE WORCESTER LODGE" at the time of its publication, and especially that portion of the work entitled the "Roll of Members" (which now stands revised to this date), confirmed the Compiler in the belief that like information concerning the other Masonic bodies with which it has been allied might also be welcome and useful for reference. As no record of the meetings of the Provincial Grand Lodge, nor any list of those who have been honoured by appointment to office therein, has existence, except in the Minute Book of that Institution, it is deemed that further interest might be taken in this work if a List of the Past and Present Officers of the Grand Lodge of Worcestershire, and a tabulated statement of the Meetings held since 1847, were also published.

The Compiler desires to acknowledge the courtesy of the Provincial Grand Secretary (W. BRO. BRISTOW), in facilitating the making of necessary extracts from the official Records, and for supplying information as to Members in the northern part of the Province.
