BRETHREN TO APPEAR IN FULL MASONIC COSTUME

The Committee for carrying out the Masonic Ball have resolved;

"That the Tickets be limited to Six Hundred, of which five hundred will be immediately issued at One Guinea for Gentlemen, and Half-a-Guinea for Ladies; and that the remaining one hundred be issued after the five hundred are engaged at the additional charge of Half-a-Guinea for each Ticket.

"That all applications for Tickets must be addressed to a Steward and contain the names of the persons for whom they are required as no Ticket will be transferable."

The Committee are anxious to ascertain as early as possible whether you intend to apply for Tickets as the number being limited and a large number already engaged, they must please themselves to issue any Tickets after Saturday, June 23rd.
