

Craft Masonry.

1424. By Statute 3rd Hy. 6. C. 1. Masons were prohibited from meeting in "Chapitres and Congregations". Those who caused such chapters and congregations to be assembled and holden were declared felons, and all other Masons who came to such chapters & congregations should be punished with "Empoisonment de leur corps & facent fyn & ranceon a la volonte du Roi".

Qy. Are "Chapters" and "Congregations" in this curious Statute synonymous? or do they refer to two species of meetings?
