

so educated in the Christian principle
and leaving everything in the hands
of the people - that it was with
difficulty that the appointment of
any officer has left ~~in the hands~~
to the Queen - I should however insist
upon appointing the Yorke as my
Confidential officer - I have had
some very interesting correspondence
with Judge Foran and the Arch
Chancellor who tells me the
Patent is now only
wanting the signature of H. R. H. - we
are to meet early in August. So
that I trust there will be no further
delay or any cause to rouse the
ire of the Canadians who will

Just stand much trusting with -
One of our members was present at
G. Panyra London last month &
informs me a strong opposite party
was got up against Geo. Palk's Colquhoun
it is a pity such a feeling should
exist - that he was treated badly
in his evidence - to bring about a
Union with Scotland is by accident. I
think nothing can justify their conduct
towards him in the style of Correspondence
adopted - I quite agree with
your view of the absurdity of the
American system - they go about more
like a circus show - with bound
placards - or a Prejudice Academy
rather than anything else: but it is
wonderful how it takes root there?
By the bye I have had some correspondence
with Dr. H. M. - a literary friend of
mine here - who is not satisfied unless
he finds out exactly he hears of -

appears to have some strange theories
he must be a believer in Antiquarianism

You will see by Section 19 of
Proposed Statutes that a Deposition
is provided for - I shall have
permission to propose your name
to represent Canada over the Gt
Prize of Honour - I have written to

Judge Goushert & Lord Simons.
for the intent of Proclamation used
