

Horsley Heath
Tipton. June 17. 1878

Dear Bro. Griffiths

P. G. L.

I send you back
Returns with thanks.
Please read and return
enclosed letter from P. G.
L. I have written
him that as soon as the
day of meeting is fixed
I would communicate
with you - Will there
be any really necessity

for Mansfield and
myself to come to
Worcester. - I think
the Worcester lodge
under your advice might
appoint a committee to
arrange preliminaries -
They will have to name
the Stewards - Of course
if you think it necessary
we must come down -
Do you think there will
be any necessity for
Lewis, if we have no

out-door procession —
How does Sir Edm^d propose
to go to the Banqueting
room from the Cathedral,
I am afraid we shall
have too much work on
hand to revise the By-
Laws. —

It was Mr Knight's
suggestion that we should
pay Greaves' fee — I told
him I did not think
he would care about
downing's fees truly

P.S. It is quite true the
day was fixed and
the Circular in the
hands of the printer.
