

13. Balton Row,

May Fair,

London, W.

July 11th 1878.

Dear Brother Griffiths.

In reply to your letter of the 9th inst., as the Circular is out, I suppose now it is impracticable to meet in the Chapter House, but the College Avenue would I suppose be equally convenient, though, in some respects the former would be more appropriate.

I return the draft
advertisement, of which
I approve, but which
possibly might be
somewhat abbreviated.

I would suggest the
"Stonester Chronicle" &
the "Hereford Times," &
possibly a Birmingham
paper, "Ains Gazette."

In each case, it would
be well to ask the
Editor to call attention
to the advt. by a short

notice.

I am much obliged
for the extract from the
Norwich paper, which I will
return. I have forwarded
Jm's letter to the L. P. M.
and asked him to decide
as to the Office which
he thinks is? Whatley
can most appropriately
hold. From what
you say, the other
appointment - that
of Brother Evans - has

1935/3.11

better stand over.

I am,

Yours faithfully & gratefully
Edmond H. Selmore.

You may like to see
the enclosed from Bro.

Aug. she, wh. please

write when you

next write —

W. C. W. Griffiths.
