Dear Sirs,

Many thanks for
two letters - It

I have any other

ceremony - Two years

ago. a queer look year.

I officiated, & I think

unless the function

is really of importance (as the
novelty shd be imputed
to a large quantity received)

The custom wd be more
honoured in the breach
than in the observance -

Still, as W. is resident,
if it is wished, I will
comply - Could you
send me any special

for mention
matters connected with the
Exhibition by part to the
Royal.
