

Kidderminster.

Feb'y 14. 1885.

Dear Sir and Brother

I have already mentioned the subject to several of the members, but I should feel obliged if you will formally bring the following before the Lodge at your meeting next Thursday.

You have in the Lodge Library 3 Copies of 1784 Constitutions and it seems a pity 280 should not make some use of two of these

I will give 2 guineas for one Copy at once, and try and find another customer for the other one if the Lodge desires.

Of course '280' should choose
which copy they retain.

Your Lodge has also
2 Copies of Hughes' Charges
(pub'd) 1872, and I ask you
to let me have one of these
for half a guinea
will you kindly bring this
letter under the notice of your
W.M. before submitting it
to the Lodge
Yours fraternally
George Taylor.

Bro A B Rowe
Secy Worcester 280

P.S. I may say I gave 30/- for
my own copy of 1784 in order
to show you that I am
permitted to offer a fair
price
