Dear Sir I am

Instructed by the Malvern

Lodge of Operative Stone

Masons to inform you that

should you acceding to your

promise have the Stone required

on the work at St James Mansion

West Malvern worked on the

job or in the district of Malvern

every endeavour will be made to

supply you with a sufficient

number of Masons. Hoping

This will give you satisfaction
and that the whole of the work will
be carried out by you on the job
in future, and thus avoid any friction
is the wish of the Members
of the Malvern Lodge of Operative
Stone Masons of England
Ireland & Wales on whose behalf
I remain your faithfully
Thomas Jones
Secretary

To the Architects
of St James Mansion,
Lady's Row

Stourbridge & Walden West Malvern
