Dear Bro Griffiths,

Herewith I enclose
Account Book & Receipt Books
for examⁿ I find it quite
impossible to make out the
receipts for the current year
to night but I will gladly
forward receipts to any
Brethren who may wish
to pay their dues. I also
send you a suggested report
of Audit Committee please

alter it as you may think necessary
& kindly express to the Lodge
my extreme regret at being
obliged to be absent to-morrow
you may say ^{also} ~~too~~ that I deprived
myself of a days pleasure at
the same time thro' stupidly
supposing the Lodge met to day
in accordance with its regulations
only the urgency of business
claims on my time keeps
me away to-morrow.
