Dear Sir Bro,

I have not yet been
able to attend the Marks
Lodge since my advancement
and regret that I am
prevented again on this
occasion. My Craft Lodge
meets on the same evening
& tomorrow there is a
motion for changing the
day of meeting. - I am
especially desirous to

be present & take part
in the discussion - partly
because if carried it
will set me entirely
free to attend the Mart
in future - In any case
however I hope to be
with you on the next
occasion -

With congratulations to
yourself & wishing
you a prosperous year
of office - Believe me
Yours truly & affly.
J. Woodhouse

P.S. I have never yet cleared
what dues are payable from me
I shall be happy to remit them
when returned.
