V. P. B.

I have not heard from you since sending the copy of my "Masonic Register" and trust you like it, neither have I sent more than one other copy to your Province. There are about 100 left as yet and they are now 12s 6 each, the sub price being 10s 6 before Pub. As I am anxious however to send a few to Gloucestershire I shall be happy to send seven (or more afterwards) to you for the Prov. in Jan. or Feb. at 3 Guineas for 7 copies each. I am anxious to make it known as widely as possible for purposes limited by our Prov. to 50 copies.

I shall always remember most pleasantly my connection with your Prov. & I regret that the latter lived, he would have taken much interest in my work.

Yours faithfully,
T. D. C. C. C.
