Mr Brown

Sir & Bro.

Having gained some
information of your connection
with the Craft, I shall feel
it a great favor if you
will interest yourself on
my behalf with the brethren
of this Town and your friends
generally to patronise every
entertainment on the next

possible way they can
that not being detrimental
to their own business &
connections.

I am sorry to say that I
find my engagement is
too long for this place &
I fully anticipated during
good trade here, but I am
sorry to say it has been quite
different. I am therefore placed
in an awkward position,
during the past five weeks
having lost over £60.

Enclosed please find two of
my complimentary Stall tickets &

and hope also your visit you will find
my entertainment one worthy of you
and yours on behalf of brother

Truly yours

Geo. Parker
