

Huddonminster Oct. 17th / 47

Dear Alfred

I have been laid
up the last few days
with a bad cold or should
have replied to your letter
sooner, I now enclose you
P.O. for £2.2/6
Altho. I took the degree of
Master Mason at Worcester
I had no recollection of
having stated my intention
of becoming a permanent
member of the Lodge,
and I think the Secretary
must have made a mistake
in putting me down as such,
as I never could attend to
a Lodge at Worcester

1935/3.144

on account of the distance
and also because I am
about six months in the
year abroad. However I
suppose it is my own fault
that I have been kept on
so long, as I ought to
have appraised the Sec.
of my own intention of
being a member after
the first year of the notices
coming, as I suppose the
first fee clear you for one
year. Will you kindly
ask the Secretary to strike
my name off the list of
members from this time.
With kind regards believe
me always

Yours fraternally
Chas. J. Dayton
Dr. A. Hancock
