Dear Sir & Bro^r Sep. 22nd 1794

I have this day
been requested by
Bro^r Wood of Kidder.
to ascertain if he
can be advanced at
our Meeting next Month.
Some few years ago
I proposed him & he
was balloted for
& unanimously accept^d
but at the last

1881
1882

moment he sent me a
special message to
withdraw his name;
for doing which I got
a reprimand from
the Will. Griffiths.
He has been told that
there is no necessity
to ballot for him
again & is anxious
to be advanced.
Will you kindly tell
me what reply I must

give him.
He is now the most
Excellent of the R. A.
at Kidderminster.
With kind regards
Believe me
Yours &c. &c.
