

Worcester

Dear Sir & Bro:

I have been writing the
signature of the W. M. to the G. L.
returns and am afraid I shall
not succeed this morning, if not
I will do so on Monday and post
them. I had written them out
in March last and unfortunately
in consequence of my long illness
put them aside and forgot to get
them signed. I presume you
were not in Worcester to day or no
doubt you would have favored me

with a call.

Annexed I beg to hand you a statement of my expenses for the past year and hope you will find it correct.

There is no account owing to Mountford, and the printers a/c has been sent you direct, I wrote Lewis to know whether there was any a/c for wines &c. but have not heard from him, perhaps he has sent it direct to you. I know of nothing else likely to be owing to any one. Trusting to see you on Wednesday at 3 o'clock.

I am yours fraternally

Geo. H. Kingham
