

I have except writing
 that I had sent you some
 for the and I think you
 you are all well again
 than I am at the other
 showing as the matter
 how I had no idea of
 making myself a nuisance
 in the way of complimenting
 letters which I hady direct
 are never finished but that
 formal thank to accident
 for certain how you was and
 as I will have no difficulty
 account from any one at any

and had to leave of the 10.40
train I was compelled either
to break my promise or to
sit up to your house while
my breakfast was getting
ready and so took the only
useful alternative to saving my
suds. I am only sorry that I
could get a more favourable
reply than what I had. Do
any of you people come down
to the 1204 Installation on
Thursday eve.

I usually go away to Edmond
for a couple of days at this
season. but as Doelhuber has
his house in papers just
at present I shall not being
stay at home and study my
K. J. Ritual instead with kind
regards
Yours right faithfully
