Dear W. Bro Goddard.

My son Scribe of
the Chapter has taken some
your letter. The matter ~~has~~
will come before the officers
of Chapter - when next they
meet. No doubt the Subscribers
will be doubled. None cannot
be adowed as we have to
face a very heavy burden
when the Masonic Hall is
disregarded.

I am a little uneasy about
these heavy commitments by
our Committee. I feel the lodges
in some instances are getting
restless - We must know what
is our aim.

It was bad luck I went to
Worcester to see you after on
Saturday afternoon. I found
the birds flown.

Fraternal greetings
Yours W. C. Mason
