

ELLERSLIE,

GREAT MALVERN.

25<sup>th</sup> July 70

Dear Bro: G. Mas:

Perhaps I have no  
right now - having taken  
my name from roll of 200  
to ask any question - still  
I will venture to ask if any  
move is going on in favour  
of Mrs. Arthur Goss - I hear it  
is a real sad case - she is  
left with three children and  
not one shilling - all friends  
I know - have been asked to  
vote at next Leatherhead election -  
that charity gives Education - Board

to be. all free - to sons of Clergymen -  
whose father is dead - and after next  
election, your wife be too old - but I think  
and feel almost sure he is safe - so now  
question is Widow & two little daughters - 7 & 2½ yrs  
do you think we could place one in girls  
school - I do not know how Mrs G. would like it -  
but am sure it would be for the best - how many  
votes does it take to elect?

Wishing to hear from you - that I may  
while still in this Prov. do all I can to help one of its  
members - ever believe me Yours truly

A W Reynolds

Your wife have heard that I want to sell this  
nice place - as I hope when warm weather comes to  
be moved to my native place - this sad, sad  
blow has quite finished me -
