V. D. 13.

I mentioned to you sometime since that our Return Forms, were out, and that we should have to reprint.

We shall not do so for a month yet. I wrote at once to Bolton for their form, and send you one to-day (just and), which kindly accept.

I examined the best I have seen in this C. L. U.S.A. they do still fuller. I should suggest one more line viz that the dates of first, Passport Receipt need not be given, unless for members need to, since the last return is supplanting. Let me know as soon as possible & I will send to Boltart, myself (also is much indebted to me for aid) & get one or more for you
