Dear Bro: Suffill

I only received  
the books from Bro R. P.  
Hill on Friday

On looking them thro'  
I find that all the  
Pain summaries are  
missing & also the draft  
of the Minutes of our  
last Meeting.

Can I assist  
you as to those Minutes?  
In altho' I acted as  
Recorder yet I sent  
them at once to our  
late Bro: Newellith  
I also enclosed

Ym the summons for  
next meeting

Kindly look in them  
again one day suggestions  
I'm sure

I believe that is  
all the business but  
our brother Bodden has  
written to me that Bro:  
Newson may come but  
she is to telegraph  
to me to day & next

Yours  
C. Heywood
