Dear Mr. Griffiths

I have been in London
all last week, & on my return today
find your letter waiting me

I do not just recollect
the expense as to Fees, Clothing, &c
but as soon as I have a chance
to refer will write you again

Am sorry to learn you are
not yet quite well but really
I am rather in my trying —

I am sure you join me in
sincere regret that the apparent
clearing of the clouds that hung
over G.P. has been prevented by
the sad and very sudden death of
the Earl of Shrewsbury

I am
My Dear Sir & Mrs

Yours truly & faithfully
