HEADLEY RECTORY.
EPSOM.

My dear Sir,

You were kind
enough to say last
year that if possible
you would give my
little nephew your
influence & help in
getting him into
the Nassau School.
We tried last time

1935/3. 23

and failed - having
24 more than 500
votes - In November
I believe there will
be another election
so that if you can
do anything for us
we shall be grateful.
With kind regards

Yours truly
