Chas. G. ...  
Dear Sir

I wrote to Bro. Hod  
some time ago asking if he  
knew any one who wished to  
part with a collar sash of  
the 18<sup>th</sup> - was much grieved  
to hear this morn<sup>g</sup> of his  
serious illness and refer<sup>d</sup> me  
to you for an answer to  
my query - Do you know

any promoted brother who  
wishes to part with such things,  
- what is the nature of poor  
Woods illness? and when is  
our next meeting at Worcester

- I have collected many  
hundred of heraldic book plates  
is there any old book sellers  
shop in Worcester where such  
things can be bought, -

Excuse my many queries  
and Believe me

Yrs faithfully  
Chas Williams
