

Provincial Grand Lodge of Worcestershire.

William Bristow, Jun., P. Prov., S. G. W.,

Provincial Grand Secretary,

Horseley Heath, Tipton, Oct. 4 1877

Dear Mr Griffiths,

Thanks for a fine
remittance of Votes. - The
Votes borrowed by me on
account of Mr. Woods
are wished to be returned
at next Election (1878.) -
Our Votes have been
solicited some time back
by Mr. Sher Kent Past Grand
Deacon of England and
I told him I would see
what could be done in
the matter when the Votes
came to hand - As to

the Bay Watkin I think the
Warwickshire Lodge are if
they choose to take up the
Case strong enough to carry
him. - I knew the boys father
some year ago as a highly
respectable man but the
province did not behave very
well to us in reference to the
election of Mr. Woods - They
already owe us 91 votes and
they told me point blank when
I applied for repayment that
they could not pay - Had they
done so I need not have run
into debt. If however you are
interested in Watkin I will see
what the votes are received what
can be done both to further the
views of Mr. Kent and yourself.
The Kings Lodge choose to act
apart they do not send their
votes to me to be put to the ^{Common fund.} press truly & gratefully.
