Dear Sir & Bro'

Lechliffe Lodge

I am not prepared to say that anything is due from our late Bro' Madditt. In March 74. he paid 20/- which I applied in payment of his subn for 1871 & 1872. & he always represented that having resigned nothing further was due from him. I don't know when according to the Minutes he

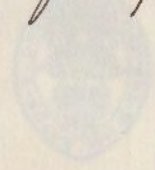

actually resigned but I have always
thought it was later than June
1873. & that one year's notice
1876 was at least due from him

Yours faithfully & gratefully
