

Edmond,
Newport, Salop.

Sept. 17. 1877

Dear Bro: Griffiths

Bro: Pidcock very
kindly consents to act
as recorder to the Courtaw.
Probably you will know
whether Bro: Meredith
had the books & papers
at home and with your
aid Bro: Pidcock will
procure them - Saw Dr.
Newson lately - He
says he hopes to come
in October - I do not
think he will either
now or hereafter

This will is good
but I do not believe
he will be able.

Yours truly
A. B. C.
