

22, CHANCERY LANE, LONDON, W. C.

3 December 1877

Dear Sir Knight,

The Council at its meeting on the 30<sup>th</sup> ult<sup>o</sup> had the Petition of Mrs E. Woods again laid before it with the additional statement added thereto as regarded on a previous occasion.

I was directed to inform you that the Council, having regard to the fact that since the Petition was presented Mrs Woods has been elected an Annuitant of the Royal Masonic Benevolent Institution, does not at present consider it such a case of destitution as to induce

The Council to recommend Great  
Oury to afford relief from the  
Benevolent Fund. —

I remain,

Dear Sir Knight,

Yours fraternally

Wm Triveller
