

6/3/78.

Dear Bro Sullivan,

You may like to

retain the enclosed

as evidence of

the return in W.I.

our friend was held

in America -

I had no opportunity

of seeing you about the  
G. N. ship before I  
left, but have really  
nothing to add to what  
I said in my letter -  
I have suggested to Godden  
who has written to -

me on the subject Sir  
Walterman, but if there  
is literally no Winton  
man, I shd. be sorry  
to see a stranger put  
over as before.

Believe me

Yours truly  
W. Lubbock
