

Rhydd Court,  
Apton on Severn.

May 6<sup>th</sup>. 1848

Dear Bro Griffiths,

I am much obliged for  
your cordial expression  
of interest in the S<sup>d</sup> Socy  
Aquilinae Apoc<sup>a</sup>.

Brotherly Love - and  
a very kind promise

of aid - as well as for  
the Sub<sup>n</sup>. of 10/- for

the present year, &c.

our Secretary will send you  
a formal receipt -

I believe it may interest  
many people in Worcester  
who will be having next  
winter find a source  
of useful recreation in  
the Clasper -

That already formed is  
evidently taken up in

the right spirit —

I should have been glad to have  
found time to refer in  
reference to Masonic matters.

I am aware, the report of  
the D. P. G. M. is as to

1. The time for the P. G. M.

2. The location of a Procession  
to the Cathedral if possible  
is selected for the purpose  
of holding it.

I have suggested some considerations.

1935/3.54

day, arriving at L. New in  
the last week in July or 1<sup>st</sup>  
week in August. & as regards  
the newspaper, I should be ready  
to do what a majority of the  
B.M. especially those in Worcester  
desire -

Yours faithfully  
W. J. Redman
