Dear Bro Griffiths

Many thanks for your kind enquiries - I am much better since a month before Xmas I, have been suffering from Rheumatism taking upon itself - It is very painful - I did not see Bro W yesterday, he is gone into Shropshire to a relative of mine for a day or two - The change of the weather helps as yesterday he seems to enjoy it, I should not like to be in on his return, but I believe we are pledged to B Brook's day - I should like to be able to do something for Bro W - Bro W has communicated with other persons

as to exchanging notes - but complaints
much, that the Lodges do not send
in their voting papers early - and
some not at all - "Worcester & wit"
he has never had any from either
of the Wor^d Lodges - I had a letter from
Bro Poyas the other day - written
much better than for a long time
remot ~~into~~ the old style not that he
he must be much better - I should
think - he talks of going to live
in some cabin up the

Believe me

Yours very truly

W Mansfield
