

SUMMERDYNE VILLA  
KIDDERMINSTER

Nov 12. 1878.

Dear Sir & Brother

I have for some-  
time wished to do something  
for our Masonic charities,  
and as I know you have  
been the pioneer of that good  
work in the province, I  
write to ask if you will  
kindly give me some  
information of your mode  
of procedure in acting  
as Steward to the Festivals.

I did think first of  
making it a personal  
matter only, but as no  
dodge in the Province has  
been represented lately  
I have arranged to represent  
Hope & Charity.

I have received from  
Bro J Terry particulars  
& forms of appreciation in  
relation to "Aged Farmers  
& Widows Institution"

I fear I may not be  
so successful in gaining  
contributions as I should  
like as I have just  
promoted a scheme for

establishing here a Masonic  
Club & Hall & so my calls  
on the brethren just now  
will be rather heavy.

I think you know of this  
scheme so I may mention  
it has been warmly taken  
up, & I am receiving notices  
throughout for a meeting of  
Sub-Carriers to receive my  
final report as to cost &  
of premises selected. —

We do not see your  
face very often at 577  
I wish you would sometime  
spare the last Monday we  
in the month, and give  
our brethren the pleasure

1935/3.6

of seeing are so much  
thought of and quoted.

I shall be grateful for  
any enlightenment on the  
matter of the Charities.

I suppose it will not matter  
how much or little the  
Contributions you take up  
providing you pay your  
own 2.2.0 & 10. 10. 0  
with best wishes

Yours faithfully & fraternally

George Taylor
