V. D.B.

Many thanks for B.V. 5. 1076  
for copy of my new work.

It will not be out until early  
in 1879 as the letters in colours  
absorb much time & have all  
to be hand painted on stone.

The Fraternity (Arms of the G. B.)  
are in eleven different colours & workings!

The jewels will be specially good.  
Should be glad if you can place an  
order only do not remit of arrears  
until receipt of Booklet. Your word  
is enough for me for 100 copies or more  
Sorry to tell you I am a household  
in the West of England & will just stop —  
It may be useful to you again —  
Yours in adversity! 1878. W. Hughes

Have you sent for one each? If not I shall be pleased to do so
