

J. C. Gregg,
Solicitor,
Ledbury.

30 July 1878

Dear Mr. Juffitts—

The word referred to is ⁷⁰
bert to bow. The Hebrew letter an
represented by N. A. D. A. R. The first
a being long with a broad sound
almost like an in and the second
being short for all practical purposes
the ordinary English pronunciation
is sufficient—

To write to me a Hebrew Professor
whom I have consulted as to the possi-
bility of the first Chair in the
U. C. which I promised to obtain
the explanation of for you. Will that do?

Yours very faithfully

J. C. Gregg
