

Ridderminster

Nov 19 1878.

Dear Sir & Brothers

Many thanks for
your kind letter and all
the information it contains.
I will not here refer to it
in reply, because I hope the
enclosed circular may be
successful in inducing your
presence on Monday next.

Permit me to offer you a
Bed, in case you will
gratify my wish and stay
the night. It is so cold
this season of the year for
driving home, and you
may find yourself alone
in the visit

I shall be most happy
to see you and talk
the matter over, as well
as trespassing on your
kindness in saying a
few words to my brethren
on the charities, as it
is new to them, and
what you say will have
much weight, but you will
find them very sympathetic
in anything mooted by

Yours faithfully
George Taylor
