23 May

1878

Dear Sir Knight Griffiths,

I beg to enclose you a copy of the Agenda paper on the 15<sup>th</sup> inst<sup>l</sup>. — Under the Statute passed at Great Priory on 10 Decr 1875 these papers are sent to all English Registrars for distribution to all the P. C. Commanders or Preceptors, and you should have received your copy thro' this source some days before the meeting. — I see by the Postage Book that a parcel was sent on 3<sup>rd</sup> May to the Registrar, Sir W<sup>m</sup> Stallard, and a circular letter was enclosed giving information as to distribution of the Agendas.

Now that the Agendas are sent out in such numbers they are not distributed individually from this Office. —

If you are deficient in any other copies of the Agendas I will endeavour to supply them if you will kindly let me know. —

I remain,

Yours fraternally,

Wm. Linkler
