

Provincial Grand Lodge of Worcestershire.

William Bristow, Jun., P. Prov., S. G. W.,

Provincial Grand Secretary,

Horseley Heath, Tipton, June 10. 1878.

Dear Bro. Guppitts,

I must trouble you to send me the whole of the Returns of Dues to our G. Lodge - I got my son to enter them for me and I find he has in doing so omitted the Registration fees in every instance - This comes of not doing every thing yourself. -

I sent your Draft By-Laws to the D. P. G. M. if we meet in Committee at Worcester we had better discuss them, they are very bulky - One By-Law

must be struck out viz  
that relating to filling up any  
vacancy in the Officers that may  
arise between the annual  
meetings. The prov. g. master  
cannot do this except in the  
case of the Deputy who is  
appointed by patent. The  
other officers are appointed for  
twelve months -

As to regard to the ~~of~~ payment  
of fees from Junior to Senior  
those that have gone before  
have had to pay and I don't  
see why the coming men  
should not do so, it is a  
promotion and ought to be  
paid for and if not paid for

declined. — I don't think Bro.  
Grege should pay for Dispensation  
twice at all events, if he is  
appointed Senior Warden, I should  
ask it — I have been told that  
a question will be asked in  
p.g. why P.G. L paid for his  
Dispensation to hold the Office of  
Senior Warden? —

I am getting anxious to know  
something definite as to the p.g.m.s  
arrangements.

I note what you say about  
Lord Selmerdale. — We must use  
him well if he comes.

Yours truly

W. Bristow, Jr
