NEWPORT, SALOP.

Dear Bro Griffiths

I have waited long
to yours to see whether
I could not do better
for you in the matter of
our Bro Thomas' case -
I find I am pledged so
deep that I can only afford
to send you my 4 pils for
the St. Dunstan's 2 Boys -
This however I hope will
be better than returning you
the Boys for release -
I suppose we shall have

Summons for Chapter No 11
I am making my arrangements
to be down to attend on
Wednesday 24th inst - I am
never very clear about the
date of this meeting.

See you don't follow King
in his glorification of
"Good Easter" - It does not
hurt me much but my
agricultural brethren would be
gladdened by some warm
honours. I hope you keep
well withal.

Ever yours

from yours truly

W. de la Beche

L. W. Griffiths Esq

P.S. I remember Broor Thomas
and am very sorry to
find there is any need
to put his club forward
as a candidate. It is a
favourable time & they
will not have much
difficulty in selecting a
girl. I should not be
surprised to find all
the candidates taken.
