Who served their country in the World War

IONIC LODGE NO. 486, F. & A. M.

May 9, 1930

My dear Brother:-

In Ionic Lodge we have a large number of World War Veterans who served their country ably and well at a time when the whole world was thrown into conflict.

From every walk of life, at a moment's notice, they answered their country's call, and were willing to sacrifice, and some did sacrifice all upon the altar of Liberty and duty.

At the next communication of Ionic Lodge, which will be held on Thursday, May 15, 1930, at 8 P. M. at the Lodge Rooms in the Mecca Mosque, 130 West 56th Street, New York City, we propose to honor these Veterans by appropriate ceremonies and a program that will suitably show our appreciation of their worth and merit.

There will be no Degree Work that evening - and all our time will be spent in enjoying the patriotic exercises prepared by our arrangement committee.

You cannot afford to miss this meeting. Invite your Masonic friends.

Fraternally yours,

SAMUEL H. WALDMAN, Master
