RESERVE FRIDAY, JUNE TENTH, FOR YOUR CHAPTER

Come on Companions! Let's make this final meeting a rouser,—one that will long be remembered. A mighty good supper at 6.30 has been planned for you. One that will make you glad you came. And an orchestra under the direction of Laurence C. Shaw will entertain. You must see him beat time,—it can't catch him.

We are to be honored also by Hon. Louis A. Frothingham, Congressman from the 14th District, who has consented to be the speaker of the evening. And he's got something to tell you that you'll want to hear. Don't miss it! Every companion of *Satucket Chapter* should be present. Then after a social cigar, we will all repair to the apartments above where your officers will present the Royal Arch Degree and exalt one of our largest classes into full fledged companions. So be sure to join in the good fellowship of the final meeting.

We hope your vacation during our summer recess, will be a most pleasant one. And we want you to be ready to come back in the fall with the biggest bunch of applications from deserving master masons, all good men and true, that *Satucket Chapter* has ever had.
