The Chronicler

During the degree work at our last communication our popular and capable Junior Warden, Max Zigas, sat in the East, and performed in his ever efficient and interesting manner. He received the applause of the brethren present and the commendation of our Worshipful Master.

Bro. Zigas once more proved that he can be serious when the occasion arises, and that to assign a task to him is an assurance that it will be done efficiently and well.

The Speaker of the evening, was the well known Guest Artist and Radio Announcer, Norman Brokenshire—Radio's most successful "free lance" artist.

Mr. Brokenshire spoke of the radio from its inception to the present day and dwelt on its unlimited possibilities. He mentioned a few of them, such as Television, which is already an accomplished fact—of receiving heat, light and food, by the mere turning of a dial.

Questions were invited and several interesting and human details were revealed.

The meeting was over at an early hour.

Our District Deputy Grand Master, R. W. Charles Hollander, having concluded his visits throughout the Sixth District of Manhattan, will come home to his mother lodge, Maimonides, on Wednesday, April 9th, at 135 West 70th Street, Pythian Temple. The Master extends an invitation to the brethren to accompany him on that evening, but he particularly expects all his officers to meet him in the ante-room of Maimonides Lodge, promptly at 8:30 P.M.
